The DLM Forum Triennial Meeting will take place in Dublin. Founded as a Viking settlement over a thousand years ago, Dublin is Ireland's capital and largest city, sitting on the River Liffey where it meets Dublin Bay. Dublin's streets reflect the many changes it has gone through since its founding, from cobbled medieval streets of Temple Bar to the Georgian townhouses and Victorian parks dotted throughout the city, and the modern architecture in the Docklands district.

¹ Only registered people will receive an email to start the accreditation process.

Venue 1 — Aviva Stadium, Dublin

The DLM Forum working sessions will be held in the Aviva Stadium in Dublin.

Please use the dedicated entrance – Entrance M, as indicated on the map below.

With over 150 years of Irish Sporting history, the Aviva Stadium is unlike any other sporting group in Ireland. Home to both the Irish rugby and soccer national teams where it is shared equally. It is now a world class stadium venue for Ireland's most popular international sports teams.

Aviva Stadium impresses all visitors with its stunning architecture, advanced engineering and world-class sustainability.
