# Using Technology to gain insight, not to solve problems

*Mette van Essen*

15-09-2017

# Technology is changing fast

Source: <http://www.ey.com/>

“We have to do something with ...”

Source: <https://www.instagram.com/celestebarber/>

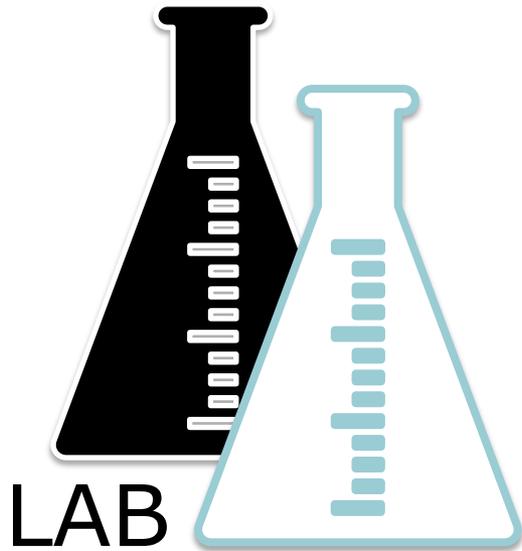

**not about the technology**

**no MAGIC solutions**

VS

Good environment for experiments

Independent/ autonomous

Sharing of ideas/knowledge/software

Impact on the proces

Cost / time

Trust in new technology

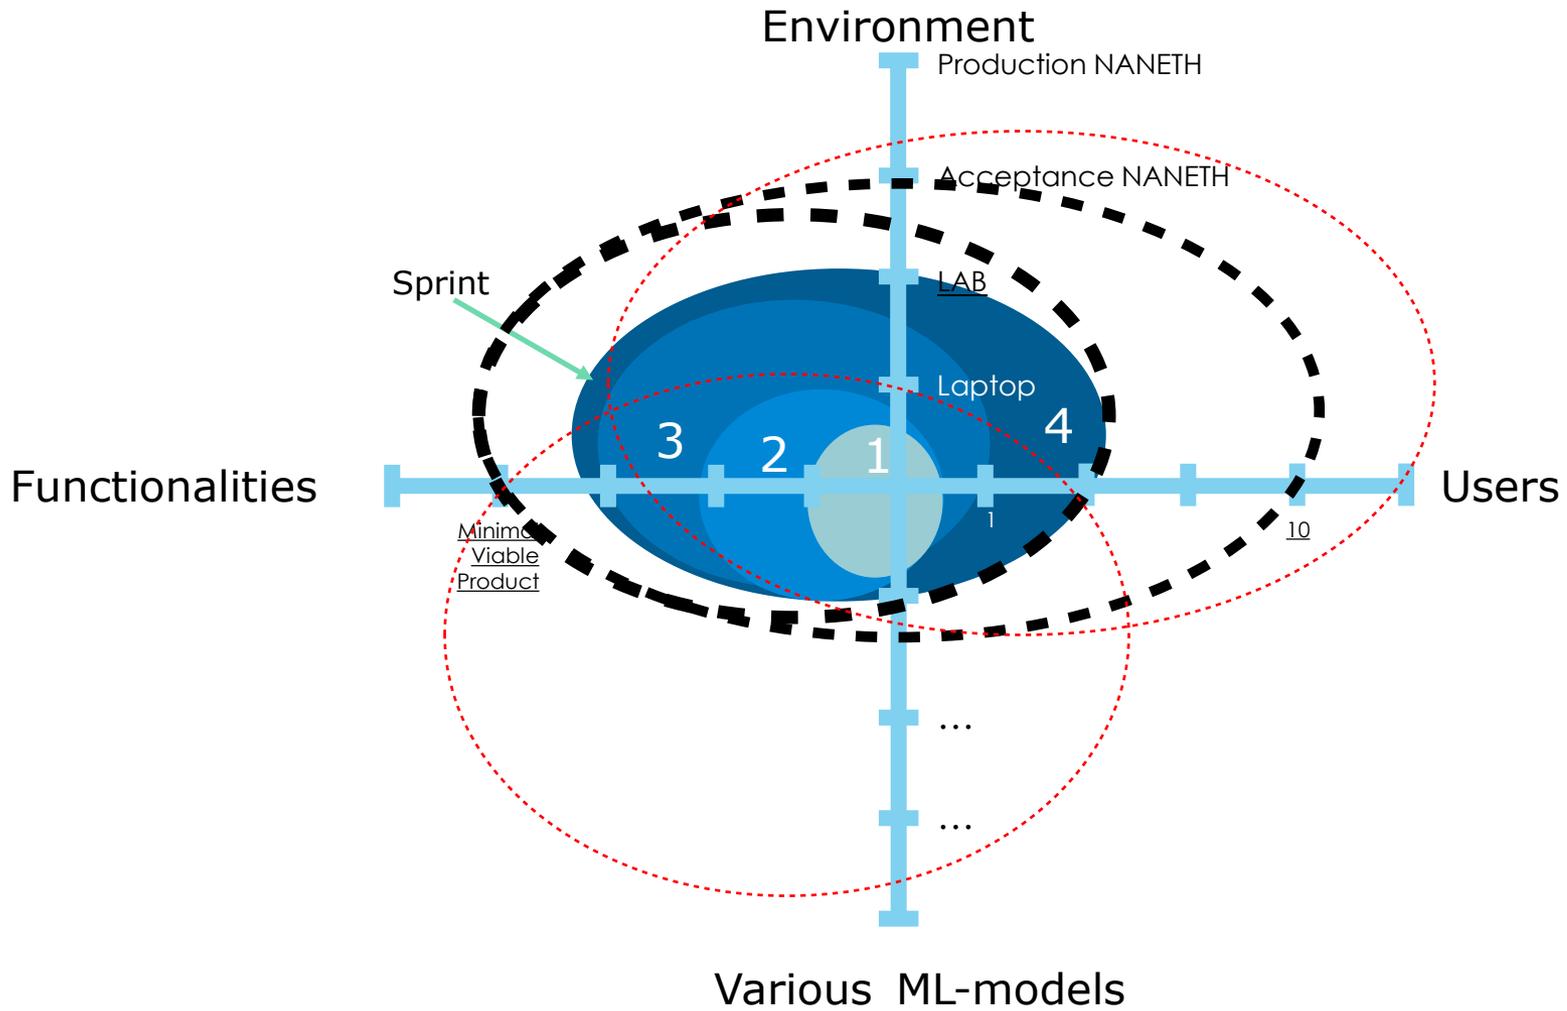

What's needed within the organization

# Tuning
